## From the Pastor's Desk

It is with great gladness that we welcome you back to St. Luke! It has been a long few months and we're very happy to resume indoor services once again. We would like to thank you for following the services on **Facebook, radio, and live-stream**. With God's blessing, we hope to return to a normal life in the very near future.

While in the narthex and the sanctuary, kindly follow the safe-distancing regulations as well as wearing a protective mask at all times. Ushers will be seating everyone, using every other pew. The café will remain closed until further notice.

For those of you who would like to continue attending the parking lot services, the service will continue to be live-streamed and also available on **FM 88.3**.

Again, we welcome you back, we thank you for your patience at this trying time and we look forward to seeing everyone again soon.

Thank you and God Bless!

Pastor Kerry and staff
